

Missions Bible study

1. Prayerfully study each verse. Some verses are best understood only in how they relate to others
2. Put a line through the verses you completed
3. Keep a journal to record what you've learned
4. Ask how will this affect how I live, act, etc
5. Act upon what God is showing you to do.

Note: Many verses may not be understood in isolation. Study the context of the verse or wait to see how the verses fit together into the overall study to understand how these verses relate to God's missionary work on the earth.
